We Are Going to Leave Soon, and Our Elegant Stock Must be Sold at Once!

Everything Goes at Less Than Wholesale Cost!

Stock Full and Complete! Plenty of Nice Christmas Presents! A Chance for Everybody!

WHAT SHALL WE GIVE?—Is the question now uppermost in everybody's mind. Everyone knows that they must give something. What shall it be? Old people, young people, big people, little people, are all on the Expectation Seat. They must all give and all receive. Something useful will be appreciated by everyone, and such things will be found in our large and carefully selected stock of all kinds of goods. Our prices are such that everybody can enjoy a Happy Christmas. Just think!—last week we slaughtered 300 pairs of all-wool hose for 2½ a pair, this week we will sell 2,000 yards of the finest all-silk ribbon made at a song. Last week we sold 500 yards of all-wool Barage Veiling at 5c, this week will sell 150 pairs all-wool Cashmere Gloves for only 25c. Our children's underwear must go for only 15c a suit. Last week we slaughtered 7 cases of Mens', Ladies' and Misses' Overshoes and Gum Boots. This week our entire stock of Boots and Shoes must go, no matter how great the loss will be. We will also sell our \$4 fine Boots for just one-half what they cost us, so \$2 will buy this week a fine calf-skin Boot. Our line of Jackets and Short Wraps must be sold this week. Our exquisite Silk Umbrellas, former price, \$2.95 now go for only \$1.95. 500 dozen Ladies' Handkerchiefs go this week at prices to suit all. Only one more week and all our beautiful Embroideries will be gone. You can save money by buying them now, and lay them away till next spring. Our \$5 cgoods go for the very low price of 40c. We are slaughtering the remainder of our Robes, and you can now buy for \$1 our \$3 robe, for \$2 our \$5 robe, for \$3 our \$7 robe, and for \$4.50 our \$10 robe. These would make splendid Christmas presents. On these prices and qualities. Bear in mind that we are going to close out at once, and that we are going to leave soon, and therefore these Low Prices. You can save just about one-half by trading with us, (country produce taken in exchange,) so call at once at Contribution and June 19 per 54 our St rocks, for St our St rocks, and June 20 per 54 of the control with the present of which the present of the pres
